

## CEW – Student Evidence

---

**JA Ourselves, Session Four**

**Kindergarten**

**CEW Academic Standard: 13.3.3 D**

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

Today we talked about the importance of saving money and examples of things you might save money for. You played a game by rolling dice to match your number to the piggybank drawing. By coloring in your bank as you rolled the dice, you could see how saving money now can give you money to use later.

What did you learn from this activity and how do you think that by saving money it will help you in your future?

# Color the Pig and Save!

Save means to put money away to use later.
